

2010 Field Trip  
Barbott Farms & Greenhouse

Happy Fall from Barbott Farms & Greenhouse

We are excited to be hosting your child at Barbott's Ultimate Corn Maze. We have many activities planned for your child.

All activities that we have planned are all outdoors. If it has rained recently, the maze & pumpkin fields may be wet & muddy. Layers are good as well as rain or mud boots. We will advise your teacher regarding maze conditions; however we will not cancel your group, this will be the teachers decision.

Field Trip Fee: \$5.00 per person.  
The trip fee includes students and chaperones; the teacher is free of charge. Students and chaperones pay their teacher's directly for the field trip. Teacher will make one transaction on day of trip. Please plan ahead, having to deal with separate admissions will take away from your time at the field trip.

Preschool and Kindergarten field trips: We have an especially busy field trip for this age group. You will be assisting the kids in the maze, on pedal cars, hay fort and hayride. We will be moving a lot in a relatively short amount of time! If you have small infants that you have to watch over in addition to a group of students, you may feel a bit tired and overwhelmed at the end of the trip.

We are looking forward to having your child at our farm!
